MEDIA

For riders, please send to pauline.arnefaux@ffe.com :

A brief introduction of every rider and 2 photos (one portrait and the second one in action) for the communication/media department.

III. REGULATION

These championships are organised according to the IHAA rules. By registering, the participants accept the rules emanating from the FITE. Participants register under their own responsibility or their legal representative's.

The organisation board declines any responsibility in case of accident.

1. INSSURANCE

Every rider or horse owner is liable for any damage caused to third parties by himself/herself, his/her employees, his/her grooms, as well as his/her horse. It is compulsory to have an insurance covering civil responsibility, covering international events, for every participant or horse owner.

2. PASSPORT

The FEI passport is not compulsory if the horse is duly identified with a microchip and a national passport with the following information: identification number – or UELN number - identification diagram - owner's information - vaccinations against equine influenza.

3. VACCINATION

Vaccinations stipulated by ministerial ruling and prefectural order are compulsory. Vaccination against equine influenza is compulsory to take part in competition. To be considered as vaccinated, any horse with a primary vaccination date prior to 1 January 2013 must be vaccinated:

- a) With a primary course: two injections for equine influenza, with a period of 21 to 92 days between each.
- b) With annual boosters, so as the period between two injections does not exceed twelve months.

To be considered as vaccinated, any horse with a primary course is dated after the 1st January 2013 must be vaccinated:

- a) With a primary course: two injections for equine influenza, with a period of 21 to 92 days between each.
- b) With boosters five months later, so as the period between two injections does not exceed six months.
- c) With annual boosters, so as the period between two injections does not exceed twelve months.

Horses may compete after the second injection of the primary course.

Horses must not compete in the seven days after receiving a vaccination.
