### **3. TREC GB Intermediate**

PTV obstacles equivalent to Level 2/3.

### **4. Pairs**

Open to any 2 horse and rider combinations. First rider will complete the MA Canter followed by the first half of the PTV course. Following a changeover mid-course, the second rider will complete the rest of the course and the MA Walk.  
PTV obstacles equivalent to Level 2.

### **5. TREC GB Newcomer**

Open to RIDERS that have not been placed 1<sup>st</sup> in two or more Newcomer or Novice Rider classes, or placed 1<sup>st</sup> in an Intermediate or Open class at Winter TREC competitions prior to 1<sup>st</sup> October 2018.

### **6. TREC GB Novice Horse**

Open to HORSES that have not been placed 1<sup>st</sup> in two or more Newcomer or Novice classes, or placed 1<sup>st</sup> in an Intermediate or Open class at Winter TREC competitions prior to 1<sup>st</sup> October 2018.  
PTV obstacles equivalent to Level 1.

All classes are open to members and non-members of Keysoe & Three Shires TREC Club and TREC GB, but only members will have their scores count towards the KTS and TREC GB Winter Leagues. Riders may join KTS on the day in order to be eligible for the league.

All classes are eligible for the Keysoe & Three Shires Winter League.  
Classes 1, 2, 3, 5 and 6 are eligible for the TREC GB National Winter Series League.

Placings will be decided with the rider gaining the highest combined score from the PTV and MA phases taking the first prize. In the event of a draw the highest score from PTV will take precedence.

A horse or pony may compete in as many classes as the rider is eligible for, including Open, Intermediate and Novice levels, but can only take part once in each individual class. However, a horse or pony may compete twice in the pairs class provided it completes the different sections of the course - this results in a pair of two riders being able to share the same horse or pony, or for the horse or pony to feature in two pairs entries, once as the first rider and once as the second rider.

HC entries may be considered at the organiser's discretion, but competing entries will take priority.

The organiser reserves the right to split or amalgamate classes as required.

### **ENTRY FEES**

<b>Entry Fees</b>	<b>KTS Members</b>	<b>Non-members</b>
Classes 1, 2, 3, 5, 6	£12	£14

## RULES

Please note it is the riders responsibility to be familiar with the rules. If you have any questions at the event please ask an official or an experienced rider for help.

Links to the latest rulebook, rule changes for 2017/18 and obstacle data sheets are available on the TREC GB website at [www.trecgb.com/Rulebook.html](http://www.trecgb.com/Rulebook.html).

1. TREC GB Competitions are open to all horses and ponies providing that they are a minimum of four years old.
2. Mares more than four months pregnant should not be competing.
3. Competitors must hold suitable third party liability & personal accident insurance or be a TREC GB red tier member or KTS member. Non member entry fees include day membership to Keysoe & Three Shires TREC Club.
4. Clearly visible coloured tail wraps/ribbons should be worn to advise other riders of a potential hazard:
  - Red – Kicker
  - Green – Young/inexperienced horse
  - Blue – Stallion. If the horse/pony is a stallion then a stallion disc should be worn on both sides of the bridle.
5. Though not a requirement, riders may choose to wear a body protector. If they do so, it is strongly recommended that it meets the 2009 BETA Level 3 standard.
6. No rider will be permitted to start any phase of the competition unless wearing a hard hat, which meets a standard currently listed in Appendix 3 of the TREC GB Rulebook. These are PAS 015, BSEN1384 (provided they are BSI kitemarked or SEI marked); all SEI, ASTM95, ASTM F1163, SNELL E2001, all SAI AS/NZS 3838 1998. [Please note that the BSEN 1384 standard was removed from the approved list on 1st April 2017. Riders are advised not to purchase hats that comply with this standard only. Hats meeting other approved standards in addition to BSEN1384 will continue to be accepted.]
7. Riders must wear suitable riding footwear, or use suitable enclosed stirrups.
8. Standing Martingales and other fixed reins are forbidden. If using a running martingale you will need a head collar and lead rope or combination bridle with a lead rope for the led obstacles.
9. Whips must not exceed 75cms (1m for side-saddle). Spurs if worn must be rounded, not exceeding 3cms in length and be pointed downwards.
10. The decisions of the Judges are final and must be complied with at all times. An error of course on the PTV will result in a zero score for the phase. Competitors may be eliminated from the competition for any of the following reasons:
  - Excessive use of the whip
  - Dangerous riding
  - Abusive language/rudeness
11. Fall Ruling:
  - MA – A fall of rider/horse during either the canter stage or walk stage of this phase will result in a zero score for that stage only. A fall during this phase does not result in automatic elimination unless the official considers the competitor is unfit to continue.
  - PTV – Competitors experiencing a fall as a result of an obstacle during this phase of the competition will be awarded 0 for that obstacle. If the same rider was then to become unseated for a second time this will result in elimination from the competition. If a rider becomes unseated/falls off not as a result of an obstacle, the competitor can remount and continue without being awarded any penalties. A rider may be given a 'leg up' after being unseated without the risk of being eliminated. PTV – Horse fall – Any horse fall (a horse or pony is considered to have fallen when the shoulder and the quarters have touched the ground) during this stage will result in elimination from the competition.
